Breeding sheep may not be shown in market classes or vice-versa.

Breeding sheep must be registered and have appropriate registration tag in their ear. Registration papers must be available at check-in time.

Health regulations require:

1. A Certificate of Veterinary Inspection (CVI) issued after May 1 is required.
2. All animals must be free of infectious and contagious diseases and a statement of this is required on the CVI. Animals appearing unhealthy upon arrival may not enter the exhibition grounds.
3. An Animal Owner or Caretaker's Verification of Veterinarian-Client-Patient Relationship form must be mailed with entry form for each animal.
4. A current rabies vaccination administered by a licensed veterinarian is required for animals 3 months of age and older (market sheep are exempt from this vaccination requirement). All vaccine label directions must be followed, and all rabies vaccinated sheep must be accompanied by a rabies vaccination certificate or the vaccination information must be included in on the CVI. If a rabies vaccination certificate is provided, the certificate must contain legible name and contact information of the veterinarian who administered the vaccine and the veterinarian's signature. A copy of the rabies vaccination certificate is acceptable.

Breeding sheep need not be weighed and fleece length is at the discretion of the exhibitor.
