Tractors will be checked for obvious safety problems when weighed in. You may enter a tractor in more than one class by adding weight but only once in each class. We will determine how many classes a tractor may pull by the amount of tractors in the park; we would like to finish by 10:30 P.M. Entry fee is \$15 per class. Everyone pulls at their own risk and the owners of tractors are responsible for any damage or injury by their equipment. Any argument will be discussed by the pulling committee. Classes: 2500, 3000, 3500, 4000, 4500, 5000, 5500, 6000, 6500, 7500, 8500, 9500, 10,500 & 12,000.

Rules

1. All tractor owners must sign a release form concerning responsibility of their equipment.
2. The pulling committee will conduct a safety and procedures meeting just prior to the pull. All drivers must attend.
3. We recommend a speed not over 5 MPH off or on the track. Safety is still the operator's responsibility. The owner of the tractor is responsible for damage or injury. Please don't turn excessive RPMs.
4. Line-up for classes will be determined by pulling numbers. If the sled is not set correctly we will call the first one or two tractors back; please don't change weights for another class until we are sure the sled is set.
5. The driver must start the pull with a tight chain and at the starting signal from the flag man.
6. Speed must be controlled by a hand throttle or factory stock foot throttle. No strings or wires allowed.
7. Drivers must remain on the seat and maintain full control of their tractor during the pull.
8. Tractors losing weight or any other object while hooked to the sled will be disqualified.
9. Tractor and sled must stay within the pull boundaries.
10. If a tractor stops or stalls within the first 25 feet, the pull may be restarted or pull at the end of the class at the discretion of the driver.
11. Tractor must stop at the red flag signal from the flag man.
12. No alcohol allowed - You will be asked to leave the property.

Anything announced at the driver's meeting will take preference over what is printed in the Fair Book. The committee is looking at other options for sled, etc.
